

# HILLSIDE HARBINGER

## ANCHORAGE HILLSIDE ROTARY CLUB

February 4, 2010

Dorielas Restaurant

### Moose Marble Madness

You should have your ticket books by now and there are more available if you sell out. Some suggestions for selling tickets: family members, co-workers, your boss, neighbors, other Rotarians — don't forget to take your tickets when you attend a make-up meeting at another Rotary Club. You can sell to "Lower 48ers" so don't limit yourself to the state border.

If you need additional tickets, please contact Todd Timmermans or another of your board members or officers.
